KM 0	Start from the <i>Baglioni Tower</i> , just a short distance from the town centre. Cycle out of the town and down the hill in the direction of Deruta and Bettona .
KM 0.5	At the traffic lights, turn right towards Bettona, Deruta and Bevagna .
KM 1.5	Past the bridge over the River Chiascio, turn right in the direction of Deruta .
KM 3.5	Pontenuovo: at the junction, go straight across towards Deruta .
KM 6.5	Deruta. Having cycled out of the lower section of the town, follow the signs to Casalina and then ride up a short 200m. climb.
KM 11	Casalina: at the junction, turn right and follow the signs to Papiano .
KM 13.5	Turn right towards Papiano Station . Just before the level crossing leading back onto the main road, turn right onto the minor road running alongside the railway track.
KM 14.8	Start of gravel road. Carry straight on alongside the railway line.
KM 15.6	End of gravel road. At the junction with the surfaced road, take the second right , a narrow lane with fields either side.
KM 16.8	Carry on, keeping to your right .
KM 17.6	At the junction with the SP377, turn left into the village of Fanciullata . At the next junction turn right towards Perugia .
KM 18.7	Keep to the right-hand lane.
KM 20.4	At the junction with the SP375, turn right and then ride straight on until you get to San Martino in Campo .
KM 23.5	San Martino in Campo: at the roundabout, turn right towards Torgiano .
KM 25.3	Once you have crossed the bridge over the E45 Trunk Road, keep to the right in the direction of Torgiano .
KM 26.5	Cantine Lungarotti (Winery): beginning of the climb up to Torgiano .
KM 27.5	End of climb: turn right and return to the starting point.
